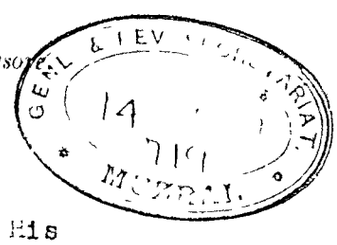
FROM S. P. Rajagopalachari, Esq., B.A., B.L.,
~~B. G. D'SOUZA, Esq.~~
Muzrai Commissioner in Mysore



To

The Secretary to the Government of His
Highness the Maharaja of Mysore,
Financial Department.

Fin 1925-26 I

SIR,

With reference to correspondence ending with your letter No.856/Muz.256-26-7 dated 22nd October 1930, I have the honor to state that proposals for fixing a revised scale of income and expenditure in the temples at Melkote are under scrutiny in this office. The revision of the present expenditure is beset with certain practical difficulties owing to the complicated nature of the establishment and the various -- vested interests involved. Proposals in their final form will be submitted as expeditiously as possible.

2. In this connection, I beg to submit herewith copy of letter No.M.518/29 dated 11th September 1930 received from the Deputy Commissioner, Mysore District requesting sanction, among other matters, to increase the pay of the existing archaks to Rs.12/- a month and for the entertainment of an additional archak on the same pay, the extra cost involved being met by a reappropriation of the savings of Rs.19/- effected monthly under establishment charges. At present there is only one archak working in all the temples in place of three archaks who ought to be entertained as per sanction scale. No other archak is prepared to take up the job on the low pay provided in the scale. There is therefore real need to improve the pay of the --- archaks as also to entertain an additional archak, as the work is too much for three archaks. The Dharmadarsis are also of the same view.

It seems to me that, having regard to the importance of the templ and the onerous duties that are required of the archaks, the pay proposed by the Deputy Commissioner also is not adequate and that the pay of each archak should be further enhanced with a view to attract well qualified men and to make them work satisfactorily. In the proposals now under my consideration, sufficient provision will be made for increasing the scale of pay. In the meanwhile, I solicit sanction of Government to the Deputy Commissioner's recommendation to increase the pay to Rs.12/- and to entertain an additional ---- archak immediately. This particular proposal is now submitted as the Deputy Commissioner represents it is very urgent and ------ requirles urgent orders.

I have the honor to be,

Sir,

Your most obedient servant,

For Muzrai Commissioner.

Letter No.H.518/29 dated 11th September 1930 from the Deputy Commissioner, Mysore District to the Muzrai Commissioner in Mysore.

Subject:- Melkote temple-certain irregularities-complaint by the Sri Yathiraja Mutt.

With reference to the marginally noted communications --- received from your office regarding the giving of full complement of

No.Pet.1/30-31 dated 10-11/7-30.	)
1/30-31 " 1-8-1930.	(

archaks to Melkote temple and to your letter No.2019/29-30 dated 5/6th August 1930 in the matter of a similar complaint made by the Sri Yathiraja Mutt, along with certain other irregularities of the said temple, I have the honor to state as follows with reference to the several points brought to notice by the Mutt:-

(1) There are three Barawards for Archaks in the Melkote temple, one~~fo~~ for the Sri Cheluvarayaswamy and Sri Narayanaswamy Sannidhies, one for the Ammanavaru Sannidhi, and a third to the Sri Yoganarasimha swami temple. The barawardars of the first two Sannidhies are minors and there is no barawardar to the Sri Yoganarasimhaswamy temple. There is only one Gumastha archak who is attending to the work of all the Sannidhies as it has not been found possible to secure competent men to fill the vacant posts. The Sub Division Officer, French Rocks, reports that the present Gumastha archak does not belong to the family of archaks nor has he taken Diksha. Some of the Dharmadarsis state that it is difficult to secure the services of archaks who belong~~ing~~ to the family of archaks and who have also taken Diksha, and that it it not objectionable if puja is conducted by persons of the type of the present archak as some of the archaks of temples at Mysore belonging to the same category. The Sub Division Officer states that the present Gumastha archak is on duty for the last five years without any objection being rised by any one, that it is rather strange that this objection has been discovered so late , that this movement is due to the desire onthe part of some interested persons to bring back one gumastha archak Keshavabhatta who left the place and whose behaviour towards the local authorities was not satisfactory, and that he (the Sub Division Officer) has no objection to get the archak back provided he gives an assurance that he will behave properly and not embarass the authorities at critical moments. As ~~the~~ at present one archak cannot manage long the work of four Sannidhies, I have reques ed he Sub Di sion Officer, French Rocks, to

to get back archak Keshavabhatta immediately and take a mutchalika him before giving charge of the work. The local officers and some of the Dharmadarsis are trying their best to get archaks of the required qualifications from Mysore and other places.

There are four sannidhies attached to the temple with three barawards in the scale of expen iture of the institution. It is desirable in the interest of the devotees as well as the responsibility and safe guarding the jewels and other valuable articles of the institution, that each sannidhi should be provided with a separate archak on the same pay. Hence the entertainment of an additional archak is an im ediate necessity. From a comparative statement of the -- existing and the proposed scale of pay of the archaks appended in the margin* it is seen that the extra cost per month will be Rs.19/-. As regards - the source from which this cost should be met, it is proposed that it can be met by reappropriation out of the savings effected monthly under Establishment. As per statement furnished by the Amildar and enclosed in the file it is seen that a sum of Rs.29/- on certain appointments the duties of which are not being done, and for which no claimants are forthcoming, is being saved every month and the e tra cost of Rs.19/- will be met out of this savings. Out of the balance of the amount still brought under savings, the Sub Division Officer suggests the giving of slight increases to the pay of the Sepoys nd the Havaldar. I have submitted separate proposals in this behalf. I request that immediate sanction may kindly be accorded to the incr ase of pay of the existing archaks and the entertainment of an additional archak to the Sri Cheluvarayaswamy sannidhi. This is an immediate necessity as Melkote temple contains precious jewels and as the question of fixing the responsibility and safe guarding the jewels of each sannidhi for which proposals are approved in your letter No.288 of 30-31 dated 18th August 1930 cannot be enforced, if each Sannidhi is not provided with a separate archak.

2. Sri Ammanavaru Sannidhi archak	8/-	12	4
3. Sri Cheluwaraya swamy sannidhi Archak.	-	12	12
	17	36	19

N.B.The archak of the Sri Yoganarasimhaswamy temple is already getting Rs.12/- per month.

(ii) The next point referred to by the Sri Yathirajamutt is the ~~xxx~~ ----- writing of Sha-Amal Diary by irresponsible persons. I have instructed the Sub Division Officer to discontinue the writing of the Sha-Amal as no useful purpose would be served by it and on the other hand it augments the friction existing between the two sects of Sri Vaishnavas.

(iii) It is alleged that the archak of the Sri Ramanujachars Shrine does not belong to the archak's family nor has he taken the Diksha. It is very difficult to procure archaks of the required qualifications to the Melkote temple. Some of the Dharmadarsis have already stated that ~~xxxxx~~ there is no objection in having archaks of the above category. The Mutt would be of immense help, if it could procure some competent men instead of complaining merely. In this connection it may be stated that the present archak of the Sri Ramanujachar's Sannidhi has been doing the work from many years, past, and the matter has not been challenged till now. On a similar complaint made by Asuri Narana I engar, a report had been submitted to your office stating that no action on the complaint was necessary. But it was replied in your letter No.C.1637/28-29 dated 12th February 1930 that the opinion of the Sri ~~xxx~~ Parakalaswami Mutt might be furnished. The Mutt has not yet replied in the matter, and its reply will be submitted after it is received.

(iv) As regards the stoppage of puja in some of the Suthalguids on the Kalyani, the Sub Division Officer has issued instructions to the Peshkar to stop payment of the allowances to the shrines where no worship is -- regularly conducted.

(v) Regarding the reconstitution of the Dharmadarsis, I have submitted for sanction separate proposals with my letter No.H.1014/29 dated 2nd September 1930.

(vi) As regards the posting of a competent Peshkar, kind reference is invited to your letter No.1816/29-30 dated 13/14th August 1930 appointing Mr. H.S. Nanjundiah as Peshkar in place of Gopala Rao.

(vii) The petition received with your letter under reply, and the connected papers received from the Sub Division Officer, French Rocks, are submitted herewith.
